

Timetable to follow at home- Sensory/Engagement

The following timetable has been put together for home learning to take place. The timetable is linked to the stories being read and taught at The Brook School under the curriculum areas of Literacy and Numeracy.

To accompany this timetable, you are provided with a pack that allows you the parent/carer to work with your child/children on a variety of activities that engage, encourage and challenge your child.

You will be contacted by your child's class teacher/ team on Mondays, Wednesdays and Friday by phone
You can talk to them about the activities that have been completed and get support.
